Your Rights, Billing

The FCC requires our company, under certain circumstances, to release the Billing Name and Address (BNA) of our telephone customers to other telecommunications providers. The main reason for releasing BNA information is to ensure proper billing for certain types of calls. For instance, calls such as collect, third-number billed, or calling card calls may be carried by a long distance carrier who is not your chosen carrier. Under those circumstances, the carrier does not know who to bill the call to, and therefore, must request the BNA from our company in order to bill the call. We must provide the information to the requesting carrier.

BNA can also be released to telecommunications providers for other reasons, such as verification for presubscription, servicing your account, to prevent fraud, or when you move from one location to another. If you have an unlisted or non-published telephone number, you have a choice. If you do not want your BNA released by our company for third-party billed calls, collect calls and calling card calls, we need affirmative notifications from you within 30 days. If you provide us with such notification, your ability to make calling card calls or to receive collect calls or third-number billed calls may be denied. Should you have any questions regarding this matter, please call our business office at 777.

Santel Communications respects your privacy and observes the privacy rules established by the Federal Communications Commission, the South Dakota Public Utilities Commission and the telecom oversight agencies.

Santel Communications will never sell your account information or provide details of your telephone calls to other parties, unless required by law enforcement.

From time to time, we would like to notify you of additional products available from us outside the existing business relationship we have with you. However, if you prefer to be excluded from these promotional efforts, please complete and sign this card on the reverse side and return it. We will screen you from all targeted marketing programs.

Your Santel Communications service is not impacted by this notification.

Please do not hesitate to call our office at 777 with any questions.

Thank you for being a Santel Communications customer.

I have read this notice and the explanation on the reverse side. I prefer to OPT OUT of Santel Communications' marketing of products and services outside of my existing scope of service.

I understand that by opting out, I will NO longer receive direct notification of special offers, services, and campaigns offered by Santel Communications. This Opt-Out will remain in effect for two (2) years.

I hereby authorize the following person(s) to be added as **authorized contacts** on my account. I understand that authorized persons can inquire about the bill, make changes to the account and add or disconnect services.

I hereby authorize the following person to be added as **Joint Owner** of my account. I understand that joint owners become equally liable for the balance of the account and are entitled to capital credits earned. (Please return to Santel.)

Name and Social Security Number

Customer Propriety Network Information (CPNI) laws have changed the way Santel addresses the privacy of Santel accounts. Because of this, we have encouraged customers in the past to add one or more additional names to the billing account. Only those listed are allowed to make any changes or ask any questions about the account.

When additional names are added, customers should specify if those named are to be considered joint owners of the account or simply authorized. Sickness, accidents and death can happen unexpectedly and to move, change or disconnect services, the caller must be authorized on the account. In the event of death, a joint owner is eligible to request payout of the capital credits. If there is no joint owner on the account, Letters of Personal Representative or Letters of Authorization for the estate of the deceased will be required.

Plan Ahead - Add a Second Name to Your Account

If someone's name is not on an account with Santel Communications, we cannot, by law, give that person information on the account or talk to him or her about the account.

An accident or illness can suddenly leave a person unable to care for his own affairs. If a family member would want to know how much you owe on your bill, we can not give that information. The person could make a payment, but can't be told how much is owed.

It is important for all our customers to plan ahead and have an additional authorized person on their account.

Please check your account by calling our office. Simply dial 777 or 1-888-978-7777 from outside the exchange area. We will tell you whose name is on your account. Please consider adding your spouse, parent, child or anyone else who may need to take action on your personal affairs.

Remember that Santel is a cooperative and we do issue capital credits. Upon the death of our customers, capital credits will be issued once paper work is completed and the estate receives Board approval. Surviving heirs who are not joint owners of the account will need to provide letters of authorization or letters of personal representation. Power of Attorney is not acceptable as it expires upon death.

Santel Communications operates 10 central offices all of which have a standby generator in the event the location loses commercial power. Each office also has a battery system that can sustain up to 8 hours of no power commercially or via a generator. Santel's networks have redundant paths and no single facility damage will take our network offline. We have spare capacity on our networks and can handle moderate traffic fluctuations.

Mr. Thurman Cournoyer, Chairman
Yankton Sioux Tribal Council
P.O. Box 1153
Wagner, SD 57380-1153

Dear Chairman Cournoyer:

I serve as the General Manager of Santel Communications Cooperative ("Santel"), a rural telephone company serving parts of southeastern South Dakota. Our cooperative's service area includes the local exchange of Tripp and it is my understanding that approximately 3.5 miles of land in the southwestern corner of this exchange may be located within the official boundaries of the Yankton Sioux Reservation. This land sits within Charles-Mix County and, presently, includes only one customer residence. The existing customer, to my knowledge, is not a Yankton Sioux Tribal member. This customer also does not currently subscribe to any Santel broadband service, but broadband services can be made available if requested.

This letter is sent to you because the Federal Communications Commission (FCC), as part of a recent Order reforming the federal universal service mechanisms related to telecommunications and information services, has adopted new requirements that are intended to facilitate engagement between telecommunications companies serving Tribal Lands. The FCC's new "Tribal Engagement" provisions are intended to improve communications and foster a greater understanding between service providers and Tribal entities of the factors necessary to deploy and sustain telecommunication services on Tribal lands. The ultimate aim is to benefit Tribal government leaders, carriers/service providers, and consumers living on Tribal lands by providing greater connectivity to 21st century economic opportunities, education, health care, and public safety. See FCC Public Notice, Office of Native Affairs and Policy, Wireless Telecommunications Bureau, and Wireline Competition Bureau Issue Further Guidance on Tribal Engagement Obligation Provisions of the Connect America Fund, DA 12-1165, released July 19, 2012.

There are some questions as to whether these FCC rules related to Tribal Engagement (which also still await approval by the federal Office of Management and Budget (OMB)) are applicable in these circumstances given the small area of land involved and lack of any residing Tribal member customers, but Santel feels compelled at this time to at least request of the Yankton Sioux Tribe whether it is interested in meeting pursuant to the FCC's new Tribal Engagement provisions. If the Tribe is interested, Santel would offer to meet and would like to do so very soon, hopefully, by no later than the end of this November. The purpose of this

meeting would be to, generally, exchange information related to the deployment and provisioning of communications services on any Yankton Sioux Tribal lands that are located within the Tripp exchange area.

If a meeting between Santel and the Yankton Sioux Tribe is held, it is important that at least some of the individuals attending the meeting are "decision-makers." As noted in the FCC's July 19th Public Notice providing further guidance, "engagement cannot be merely between sales and marketing individuals on one side and administrative staff or advisors on the other. The perspectives on needs, expectations, priorities, and abilities that would formulate meaningful exchange often can come only from those with the requisite authority to make decisions."

In closing, if your Tribe would like to proceed with Tribal Engagement in accord with the pending FCC rules, we ask at this time that you respond with the name and contact information for a Tribal representative who could assist in scheduling and arranging a meeting between Santel and the appropriate Tribal government staff and leaders. This information may be provided to me calling (605) 796-8143, or by sending me an e-mail at rthompson@santel.net.

I thank you greatly for your cooperation in this matter.

Sincerely,

Ryan Thompson

Important Information:

You will be required to provide documentation showing eligibility.

Lifeline is a federal government assistance benefit and willfully making false statements to obtain the benefit can result in fines, imprisonment, de-enrollment, or being barred from the program.

Only one Lifeline service is available per household. A household is defined, for the purposes of the Lifeline program, as any individual or group of individuals who live together at the same address as one economic unit. An "economic unit" consists of all adult individuals contributing to and sharing in the income and expenses of a household. A household may include related and unrelated persons. A household is not permitted to receive Lifeline benefits from multiple providers. Violation of the one-per-household limitation constitutes a violation of the Federal Communications Commission's rules and will result in your de-enrollment from the program. Lifeline is a non-transferable benefit and you may not transfer your benefit to any other person.

I certify, under penalty of perjury, that:

- (1) I meet the income-based or program-based eligibility criteria for receiving Lifeline, provided in 47 C.F.R. § 54.409. I have provided documentation of eligibility.
- (2) I will notify the carrier within 30 days if, for any reason, I no longer satisfy the criteria for receiving Lifeline including, as relevant, if I no longer meet the income-based or program-based criteria for receiving Lifeline support, I am receiving more than one Lifeline benefit, or another member of my household is receiving a Lifeline benefit;
- (3) If I move to a new address, I will provide that new address to the telephone company within 30 days;
- (4) If I provided a temporary residential address to the telephone company, I will be required to verify my temporary residential address every 90 days;
- (5) My household will receive only one Lifeline service and, to the best of my knowledge, my household is not already receiving a Lifeline service;
- (6) The individual named on the documentation provided demonstrating program-based eligibility, if not me, is part of my household.
- (7) I acknowledge that I may be required to re-certify my continued eligibility for Lifeline at any time, and my failure to re-certify as to my continued eligibility will result in de-enrollment and the termination of my Lifeline benefits pursuant to 47 C.F.R. § 54.405(e)(4);
- (8) I acknowledge and consent that Santel will transmit my above account data to the federal administrator of the National Lifeline Accountability Database to ensure proper administration of the Lifeline program.
- (9) I acknowledge that providing false or fraudulent information to receive Lifeline benefits is punishable by law; and
- (10) The information contained in this application and certification form is true and correct to the best of my knowledge.
